

## **European transport giant Girteka Logistics first to reach international FTL fleet of 4.000 trucks and 4.300 trailers**

**Girteka Logistics, one of Europe's largest road transport companies, has today sent its truck # 4.000 on the road. This milestone event was a great way for the company to finish an extraordinary strong year. Donatas Načajus, Girteka Logistics Chief Transport Officer inaugurated the truck before sending it on its first safe and on time delivery for the Christmas season.**

Girteka Logistics, one of the biggest European transport companies, has grown significantly during the last 10 years, 2017 is no different, with +30% organic growth for the year. Girteka Logistics now has the largest FTL long haul fleet in Europe, the company work directly with many of the biggest transport buyers.

"Now having 4.000 trucks and 4.300 trailers in our fleet at Girteka Logistics truck showcases how we have dedicated our entire company for long term partnerships with our clients. This milestone further underlines our clients' confidence in Girteka Logistics quality, safety, fuel efficiency and great customer service," says Donatas Načajus, Girteka Logistics, Chief Transport Officer.

"Girteka Logistics truck #4.000 is a VOLVO FH540 with a Volvo 13-litre engine, Globetrotter cab, I-Shift automated gearbox with Fuel and Economy software package, Driver Alert system and I-See predictive cruise control," states Mindaugas Paulauskas, Girteka Logistics, Head of Transport.

"We are constantly investing into the best in class trucks and trailers, this combined with our famous "We Care" approach and education of our 7900 drivers ensures high quality transportation and with our more than 9.500 dedicated employees this is a winning recipe," finishes Daiva Kirklienė, Girteka Logistics, Drivers Academy Manager.

### **About Girteka Logistics**

Girteka Logistics is Europe's leading asset based FTL Transport Company, the company delivers more than 300.000 Full truck loads annually. The company grew organically from 600 trucks in 2010 to now 4.000 trucks and 4.300 trailers operating in Europe, Scandinavia and CIS/Russia. Girteka Logistics has more than 9.500 professionals and is often the FTL carrier of choice for the world's biggest brands.
